SPONSORSHIP REQUEST

THE OPPORTUNITY

Support the next generation of artists by providing art supply gift cards for participating student artists in our Community Art Preview and Gala. Your donation directly invests in young creatives and helps them continue developing their artistic talents beyond the exhibition.

OUR GOAL

Recognize up to 15 student artists (K-college) with art supply gift cards or certificates so they can purchase art supplies and continue creating.

THE IMPACT

Each selected student will not only have the experience of exhibiting their work alongside professional artists in a stunning dreamscape gallery filled with clouds and surrounded by Sedona's vibrant arts community, but will also leave with a tangible investment in their continued creativity and artistic growth.

SPONSOR RECOGNITION

Sponsors will be listed on all event marketing, promotions and communications, including social media, event signage, digital, press and radio, plus flyering. You will also be recognized at the event as a supporter of our student artists.
